

Local Child Care Planning Council

of Colusa County

“Working together to build brighter futures for children”

Hello Community Member!

Colusa County Local Child Care Planning Council understands the importance of shaping children’s learning and development in the earliest years. Since 1985, April has been known as ‘The Month of the Young Child’ and is celebrated in Colusa County by recognizing that a strong foundation promotes later school success. In honor of children and families, Colusa County Local Child Care Planning Council and Colusa County Office of Education- Children’s Services hosts an Annual Family Fair to celebrate the children within our Colusa County communities.

The Family Fair will be greatly enriched by you and your organization’s participation. Please join us on **Saturday, April 4th, 2020 from 10:00 AM to 1:00 PM at Egling Middle School**, in conjunction with Colusa County CAPC Color Run to Prevent Child Abuse. The Family Fair is always a well-attended event that features a large variety of children’s activities and is tremendous fun for the entire family! The Family Fair is our way of honoring young children and all those who make a difference in children’s lives within our community.

Your support and participation will help make this year’s Family Fair a fantastic event for our communities! Please complete the attached form and forward to the address below or email to kkennedy@ccoe.net if you would like to participate. **If you would like to donate, any amount or items will help us make this FREE community event FUN.** Please contact me with any questions or if you would like suggestions for an activity!

Sincerely,
