

Coastal Buttes

School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Charles Wayman, Asst. Supt. Special Ed/SELPA

Principal, Coastal Buttes

About Our School

Welcome to Coastal Buttes Academy!

Coastal Buttes Academy is a K-12 Special Needs school serving students with severe needs. The mission and goal of Coastal Buttes Academy is provide for needs of the child using a full continuum of educationally beneficial services. Our services are designed to support the reintegration into the individual child's least restrictive environment. This will occur by providing an individualized education to fit the unique needs and skills of our students. We believe in building on the inherent resiliency with each child using a combination of behavioral and social/emotional evidence based practices while developing individual strengths and skills.

At Coastal Buttes, students will be exposed to research based curriculum and assessments that will assist in developing academic skills. The development of these academic skills are vital to the reintegration back to the student's home schools. These will include Soliday System, Unique Learning System, Renaissance Flow 360, SANDI, and Footsteps to Brilliance.

Coastal Buttes will also offer a variety of enrichment activities to enhance learning for the students. Various experts in the field from the surrounding area will teach Art, Science, Music, and Karate. The science curriculum will include many hands on projects like gardening and maintaining a green house. These enrichment activities will utilize several different learning modalities, while also working on behavioral and social/emotional goals.

The staff at Coastal Buttes will work closely with parents to establish a link between school and home. Part of this will be monthly trainings where parents and staff get to work together on strategies how to help their child. In addition, Coastal Buttes staff will stay in constant contact with home schools, collaborating and planning for the time when the student is ready to transition back to the home school.

Socioeconomically Disadvantaged	0.0 %
English Learners	0.0 %
Students with Disabilities	0.0 %
Foster Youth	0.0 %

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Coastal Buttes School was not open in 2016-2017. School did not open with first enrollment until 11/6/2017. Enrollment is under 10 students.

Teachers	School 2016—17	School 2017—18	School 2018—19	District 2018—19
With Full Credential	0	0	1	1
Without Full Credential	0	0	0	0
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 1/29/2019

Teacher Misassignments and Vacant Teacher Positions

Indicator	2016—17	2017—18	2018—19
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements

Rating of the Education Village overall as Good (93.33%) due to repairs that are still necessary from past construction and design issues. As repairs are finalized the overall rating will subside as exemplary. The county office has policies in place addressing compliance with state mandates. Repair and maintenance are provided by the Colusa County Maintenance and Operation department.

- Building A section 3- When raining, the back doors pose hazards as weather intrudes from outside concrete areas, thru top and below the thresholds and door hardware.
- Building B section 3- When raining, the three classroom overhead roll-up doors pose a hazard as weather intrudes from outside overhangs, concrete areas, thru top and below the thresholds, weather seal and door hardware.
- Building C section 3- When raining, the three classroom overhead roll-up doors pose hazards as weather intrudes from outside overhangs, concrete areas, thru top and below the thresholds, weather seal and door hardware.
- Building C section 3- Two front entrance doors and one back entrance door pose hazards as weather intrudes from outside overhangs, concrete areas, thru top and below the threshold and door hardware.
- Building D section 3- Storage area when raining, weather intrudes from the foundation areas onto building floor causing a hazard.
- Building D section 3- When raining, the classroom roll-up doors pose hazards as weather intrudes from outside overhangs, concrete areas, thru top and below the thresholds, weather seal and door hardware.
- Building E section 3- When raining, the classroom overhead roll-up doors pose hazards as weather intrudes from outside overhangs, concrete areas, thru top and below the thresholds, weather seal and door hardware.
- Building F section 3- When raining, the stage area roll-up door pose a hazard as weather intrudes from outside overhangs, concrete area, thru top and below the threshold, weather seal and door hardware.
- Play field section 14- Grounds area collects runoff water from rain and irrigation causing a hazard for any foot traffic.
- Grounds area section 14- Concrete joints raised quarter of inch or more which could pose a trip hazard.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Coastal Buttes School was not open in 2016-2017. School did not open with first enrollment until 11/6/2017. Enrollment is under 10 students.

Individual student assessment data is not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)				0.0%		50.0%
Mathematics (grades 3-8 and 11)				7.0%		38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Last updated: 1/29/2019

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017—18)

CAASPP Assessment Results – English Language Arts (ELA)

Disaggregated by Student Groups, Grades Three Through Eight and Grade Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	--	--	--	
Male	--	--	--	
Female	--	--	--	
Black or African American				
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino	--	--	--	
Native Hawaiian or Pacific Islander				
White	--	--	--	
Two or More Races				
Socioeconomically Disadvantaged	--	--	--	
English Learners	--	--	--	
Students with Disabilities	--	--	--	
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students Grades Five, Eight and High School Percentage of Students Meeting or Exceeding the State Standard

Html.RenderAction("SarcDescription", new { sectionID = 80, cdscode = ViewBag.Cdscode });

Subject	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
Science (grades 5, 8, and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

School Safety Plan (School Year 2018—19)

The Comprehensive School Safety Plan for 2018-19 was revised in August of 2018. It includes core information regarding the school and its climate including the vision and mission of the school and basic demographics. The following sections and procedures are also included:

- Emergency Contact Numbers
- Fire Response
- Tiered Climate Plan
- Identifying the Appropriate Tier
- Tiered Explanations
- Lockdown
- Site Evacuation
- Emergency Lockdown Info.
- Medical Emergency (Code Blue)
- Site Evacuation Map

Professional Development

A total of two full days per year are utilized for teacher training/staff development. Every Wednesday students are released at 2:00pm in order for teaching staff to collaborate with service providers. Topics of Wednesday articulation include: analyzing assessment to guide instruction, trauma informed care, applied behavior analysis, case management, explicit direct instruction strategies, ELA/ELD framework, technology integration, teacher observations, and content frameworks.
